Moving into Sacred or Cyclical Time

1. Move towards the Sacred Laughing

I am calling on the divine winds.

Eurus of the east, Notus from the south, Zephyrus of the west, and Boreas in the north.

Come here today to help me navigate my life.

The wind feeds my life.

The wind renews.

The wind is prosperous.

There are many sacred gifts in the wind.

The wind reveals.

The wind expands.

The wind is generous.

The wind lives within me.

The wind offers a sweet melody.

I share my gifts to the world by offering them to the wind.

My body is borrowed from the earth while my spirit flies free like the wind.

I am grateful to the winds

THE SALE TOOK THE FORM OF EXCHANGING A WHITE ROPE WITH THREE KNOTS TIED IN IT FOR MONEY. THE IDEA BEING THAT WHEN ONE REQUIRED A CERTAIN WIND THE SAILOR UNLEASHED ONE OF THE KNOTS AND SO ON.
